To help you in completing this reference please read the following notes. These are intended to explain the task of a Town Pastor and help you assess the suitability of the applicant wishing to apply for this role.

What is a Town Pastor?

A Town Pastor, working as part of a team and in collaboration with the police and local council, seeks to be a positive influence principally on the streets of the town centre and other night life areas.

The role of a Town Pastor is about listening, caring and helping young people. It is about showing concern and offering assistance where appropriate as ambassadors for Christ, in a non-judgmental and unconditional way. Town Pastors are not there as evangelists, but can share their faith if asked, in ways that respect the questioners.

Town Pastors seek to be a positive presence on the streets available to offer support to vulnerable people, deescalate potential trouble and generally assist the police and others.

For reasons of personal safety and to make the most effective use of the Town Pastors, they are monitored by CCTV in the town centre area.

Town Pastors work closely with the police and the Local Authority (Forest Heath District Council) and are governed by an agreed protocol with them.

Expectations and Commitment

A team of two or four Town Pastors will be out on the streets at any time patrolling in pairs. The desire and ability to work as part of a team is therefore essential.

Town Pastors must be over 18, Christian and part of the local Christian community.

Town Pastor teams are out in the town centre on Saturday nights (10pm to around 2am) and on Under 18s disco nights (9pm to midnight). On average each Town Pastor is expected to be out one night a month.

Please be assured that all information given will be treated in the strictest confidence and in accordance with the Data Protection Act 1998
